No claim for any sort of concession whatsoever on account of increase in the cost of materials or labour during the period of the contract will be entertained.

The volume of work, quantity, etc., specified above is approximate and may be increased or decreased at the discretion of the Chief Electrical Engineer.

The tenderer entrusted with the work should make his own arrangements for verification of the proofs at the final stages, and he will be held responsible for any loss that may be occasioned due to inaccuracies in printing.

In all matters of dispute regarding the quality of work, rates not covered by the Agreement, etc., the Chief Electrical Engineer's decision shall be final and binding.

The tenders should be superscribed as "Tender for History of Electrical Department" to be opened on the 24th September 1951.
